FROM THE DESK OF THE COMMANDER

A lot is starting to happen here at American Legion Post 62. Everyone has heard us talking about the mural that has been planned for the west wall and south end of the building. The painting of the building has been started. Already the building is looking different. The building may look a little different but will look much better once the actual mural is finished and applied. I would like to thank personally those who have helped cut out the panels that will be used in the mural. We would like to have the mural finished in time for the Sequim Irrigation Festival. As you well know the mural project is funded by donation. If anyone would like to help out with any size of donation it would be greatly appreciated. Donations can be mailed to the American Legion Post 62, P.O. Box 1167, Sequim, WA 98382.

In April we will be having the 1st nominations for new Officers for the 2024-2025 year. Second nominations will be in May, 2024 and election will follow the nominations. The new Officers will be installed at the June meeting.

Our Post Service Office is now closed due to a change that has been made by the National American Legion Office. This is not just our Post but all veteran service officers in the State of Washington have had to stop working on claims as only accredited service officer can now assist with VA claims. We hope this will change in the future. If you need a service officer to help you with a claim, we are asking you to contact the Service Officer at the Veterans Center in Port Angeles. The Veterans Center is located at 216 S Francis St., Port Angeles WA. The phone number is 360-797-1791.

If you have any question, please feel free to call me at 360-775-1477.
